

Test Prep

PROGRAM OVERVIEW

Lyceum test prep yields improvements that are officially measurable. We know firsthand how effective test-taking strategies augment one's intellect and problem-solving skills. Our test prep programs show students what they otherwise wouldn't see on their own: the structure, traps, time constraints, patterns, content, and purpose of the tests that they prepare for.

ALL-INCLUSIVE SERVICE

- Initial family consultation
- Review of student's report cards and evaluations
- Review of student's school curriculum
- Curated booklist
- Weekly 1-hour tutoring sessions (more hours/week available)
